Memorial Service Sunday for Casper Smith, Deceased Soldier.

The memorial service held for Casper Smith was in the Congregational auditorium Sunday morning. At Mrs. Smith's request, all music was omitted. The Bible class attended in a body and had charge of the decorations. Rev. William Rempe gave the memorial sermon, but a union service was held and Rev. Allan Kirkness assisted. No higher tribute could be paid a soldier than was paid Casper in a letter by the lieutenant of his company, which was read at this service. Written by one who knew him well in his last big day, we can but take his assurance that he passed away content, unafraid, his one regret that he must leave his mother here alone.

The Home circle will serve a dinner on Wednesday noon.

Walter C. Gaylord returned to his home here on Friday. He enlisted more than a year ago and went to Camp Devens on the medical force. His earnestness and fitness won him a chance for officers' training and he went for that purpose to Camp Grant, Rockford, Ill. He received his second lieutenant's commission and is now on the reserve officers' corps. His many friends are glad to welcome him back and are proud of his success.

The annual meeting of the L. O. O. F. will be held in their hall on Friday evening, Feb. 7. A short program will be rendered, followed by a chicken-pie supper and dancing from 10 to 12. All Old Folios and Rebekahs are invited to be present with their families. The men in uniform are to be honored guests and the lodge extends an invitation to all returned soldiers and sailors to attend with their lady friends.

Merrill Campbell of Randolph came Saturday night to spend a day or two with his sister, Lois Smith, and attend the memorial service on Sunday.

A NATIVE OF CORINTH.

Death of David Marks Babcock, Prominent in Concert and Oratorio Work.

Boston, Feb. 4.—David Marks Babcock, who died at the Massachusetts Homeopathic hospital yesterday morning, was for 30 years, before his resignation in 1911, bass soloist at the Old South church in Boston and was also prominent as a concert and oratorio singer. Mr. Babcock was born in Corinth, Vt., on Oct. 18, 1857, the son of Amos Rice Babcock and Rose (Crafts) Babcock. He was graduated from Harvard in the class of 1877 and adopted music as his profession. He sang in concerts and oratorios in all the principal cities of the United States east of the Mississippi. His appearances in oratorio with the Handel and Haydn society had been numerous and important in the history of that organization. He long was active in male quartet work in Boston and elsewhere. He was for many years an active member of the Apollo club. Mr. Babcock is survived by his widow, by a daughter, Mrs. Stanley E. Cook of Arlington, and by a brother and five sisters.

With Fingers! Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man. Just ask at any drug store for a small bottle of freezone. Apply a few drops upon a tender, aching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it off with the fingers. Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin. Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical. Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.—Adv.

NOTICE TO NERVOUS WOMEN

Mrs. Selbert Tells How You Can Overcome Nervous Conditions.

Louisville, Ky.—"I suffered badly from nervousness, a run-down condition, no appetite and pains in my back—until I just had to give up. A friend told me about Vinol and I felt better after taking the second bottle. Now I have a good appetite and am feeling fine, strong and healthy in every way."—Mrs. L. F. Selbert.

The reason Vinol was so successful in Mrs. Selbert's case, is because it contains the very elements needed to build up a weakened, run-down system, make rich, red blood and create strength.

PENDING SETTLEMENT IN PEACE CONFERENCE

The Particular Territory in
Dispute Is in Prov-
ince of Teschen

Paris, Monday, Feb. 3.—Polish and Czech leaders have been given a pointed warning by the peace conference not to occupy disputed territory in the province of Teschen, Austrian Silesia, according to an official bulletin issued to-night. The bulletin reads:

"Owing to the conflict between the Poles and Czechs at Teschen, resulting in the occupation of the Ostrau-Karwin mining district and the railroad from Oderburg to Teschen and Jablunka by the Czechs, the great powers have declared it necessary to remind the man-

THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A. Take GOLD MEDAL Haarlem Oil Capsules periodically and your system will always be in working order. Your spirits will be enlivened, your muscles supple, your mind active, and your body capable of hard work. Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original, imported Haarlem Oil—the kind your great-grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL brand. In three sizes, sealed packages.
